2021 SOYBEAN HARVEST PRICE LATER PROGRAM

Beans delivered from September 13, 2021 through September 19, 2021 will be applied to a Price Later Contract on September 20, 2021. There will be no service fee if sold by September 27, 2021. If not sold by the close of business on September 27, 2021, a service fee will be charged at the rate of \$0.0021 per day on September 28, 2021. This pattern will continue. (See table.)

DELIVERY PERIOD	NO SERVICE FEE IF SOLD BY	SERVICE CHARGES START
September 13-19, 2021	September 27, 2021	September 28, 2021
September 20-26, 2021	October 4, 2021	October 5, 2021
Sept. 27 - Oct. 3, 2021	October 11, 2021	October 12, 2021
October 4-10, 2021	October 18, 2021	October 19, 2021

*All soybeans delivered to a CVA facility will first be applied to an existing contract for the delivery period. If there is no contract for the period the soybeans were delivered, they will then be applied to a Price Later Contract.

**Unless we are notified prior to delivery that your beans should be put in Open Storage.*

Grain put in the Price Later Program must be sold using the nearby bid only. Price Later grain cannot be forward contracted. Title (Beneficial Interest) passes when grain is put on Price Later. Once a price later contract is issued no warehouse receipt or storage disposition can be made.

SOYBEAN STORAGE (Nebraska | Regions 1 - 6)

(All positions except Price Later)

The Open Storage Program will be at no charge if the beans are sold within seven days of delivery (including the delivery day). If not sold within seven days after delivery, the beans will be charged storage at the rate of \$.0021 per bushel per day from the date delivered until sold. All storage charges will be deducted from the grain settlement. Storage grain must be sold using the nearby bid. Storage grain cannot be forward contracted. Soybeans will only move to Open Storage upon notification by producer to place them in Open Storage position prior to delivery. Once beans are placed on Price Later Contract, they cannot be moved back to Open Store or put on a Warehouse receipt. [Storage may not be available at all times]

CONTRACTED GRAIN

Title will pass to Central Valley Ag on contracted grain upon delivery. The first grain delivered will be considered grain delivered on contract.

CVA BIDS

In-store grain must be sold at the nearby bid and cannot be applied to a Forward Priced Contract.

GRAIN POLICIES:

- The storage agreement between the Customer and CVA shall be subject to the terms of these Grain Policies. This agreement shall be subject to the United States Warehouse Act and the accompany regulations thereunder.
- Customer represents that it has good title to the grain, and has authority to ship, store and sell grain through CVA.
- Deliveries may remain unsettled during the time period the grain is delivered prior to when the service charges start. After that period of time, the delivery closes and if no disposition, the grain will be placed on a price later contract during the time periods stated above otherwise placed in open storage and shall accrue storage and/or service charges from the original date of delivery as set forth in these Grain Policies. Deliveries of grain may be commingled by CVA.
- CVA shall have a lien against grain storage for all charges for storage and handling, and those related to its preservation (including drying), at the rates set forth in these Grain Policies; and Customer hereby grants to CVA a security interest in said grain to the extent of such charges and fees.
